

Parking at the Dog

Please can all parents and carers (including other family members) ensure that they use the 'Dog' car park in a thoughtful and considerate manner.

Always park respectfully in a designated parking space. You **must not** park on the double yellow lines outside the pub's bin yard gates or in the lorry turning area – even if you are ‘running late’!

It is essential that this access remains clear at all times as it is a designated fire escape route for the pub and blocking it also cause serious inconvenience to the daily operation of their business.

Gemma, the publican, is extremely tolerant and invariably cooperative in allowing MGPS parents to use their car park so please be respectful, polite and courteous at all times

The car park gets very busy during drop-off and pick-up times, please take extra care when driving to help keep everyone safe.

Class 4 HoEF 22.9.26
